CRM Software Dashboards To
Improve Business Decisions

10+ Modules

We offer a complete range of modules with which you can manage almost your entire business under one platform.

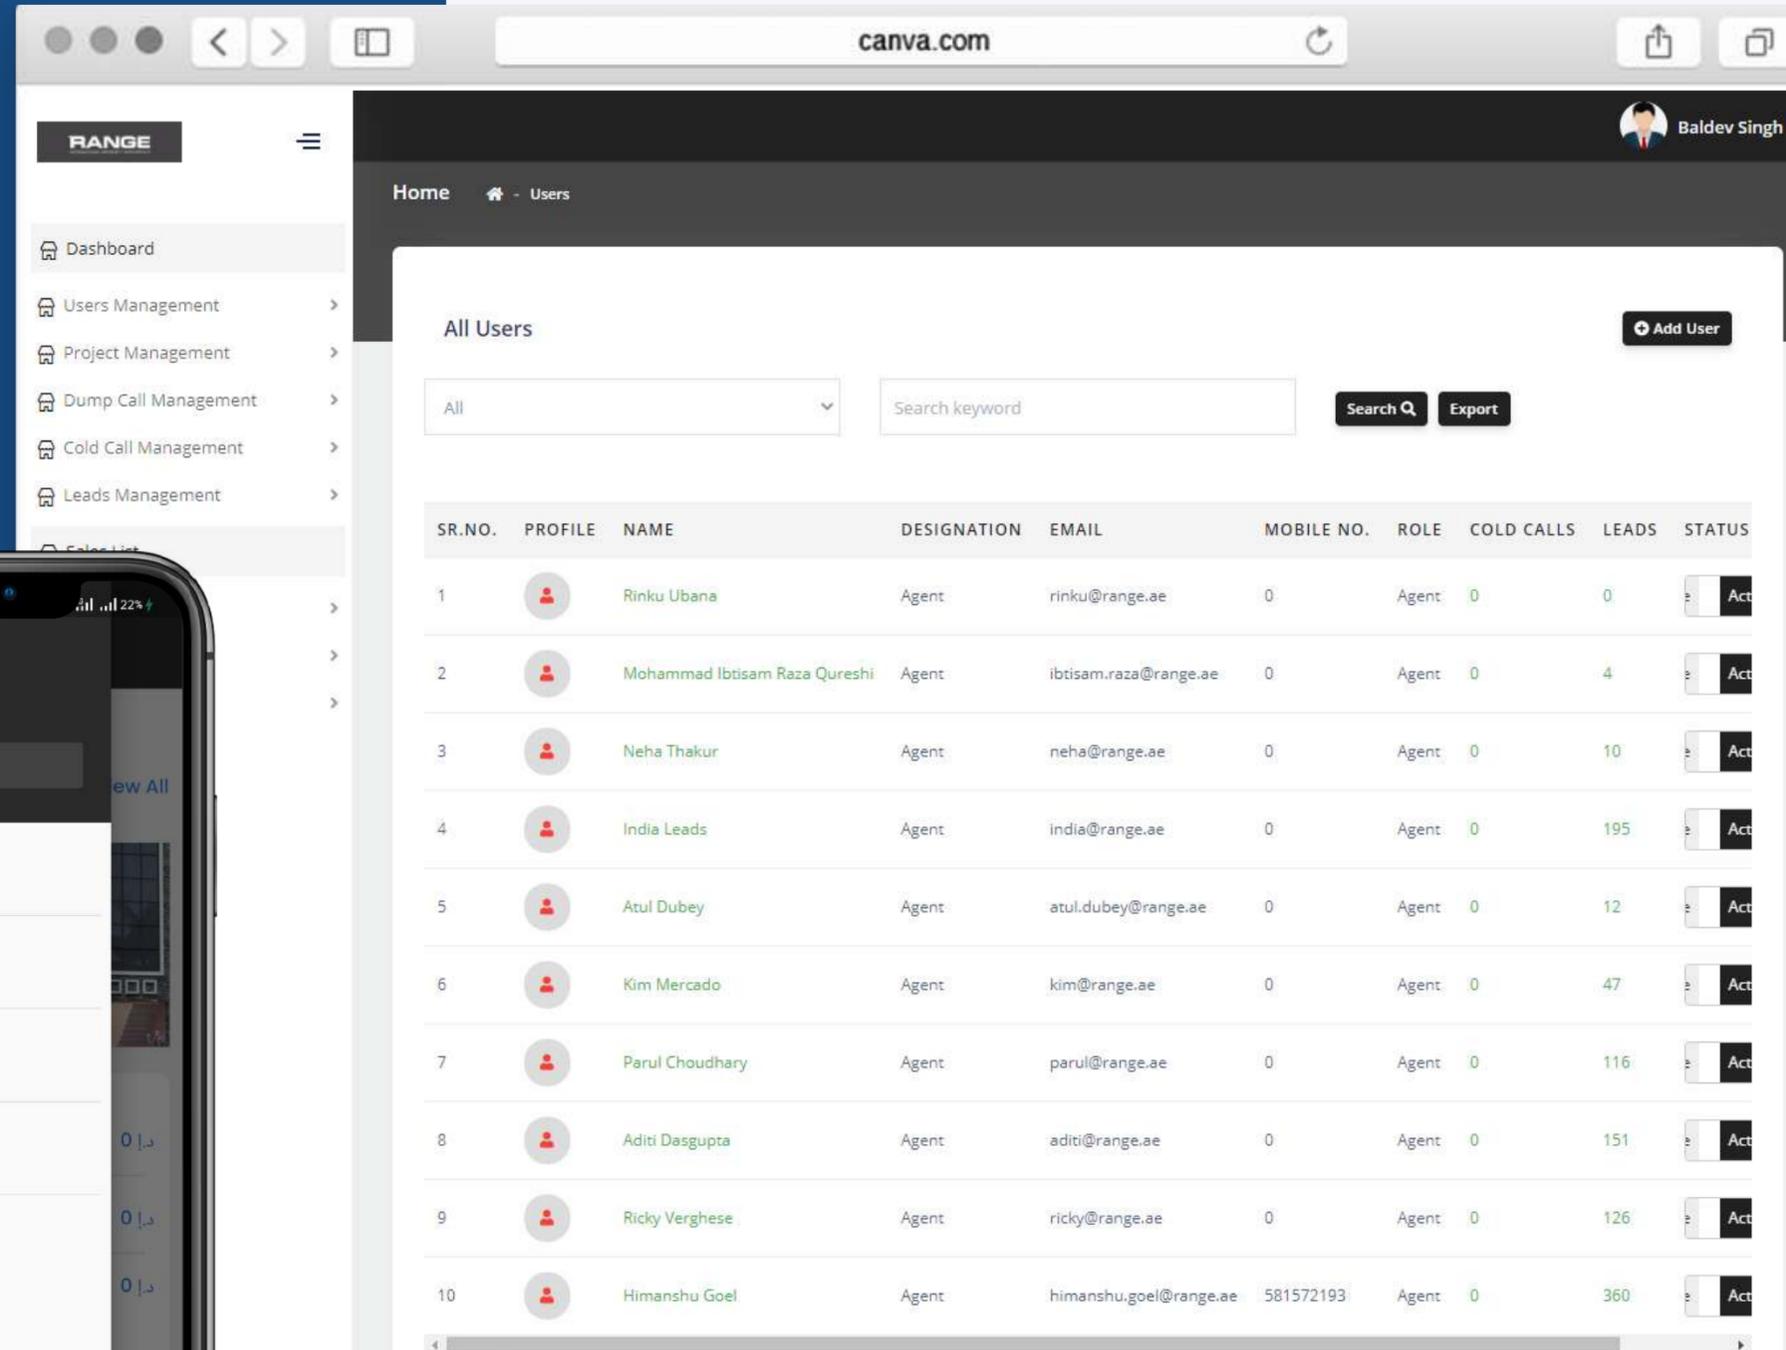

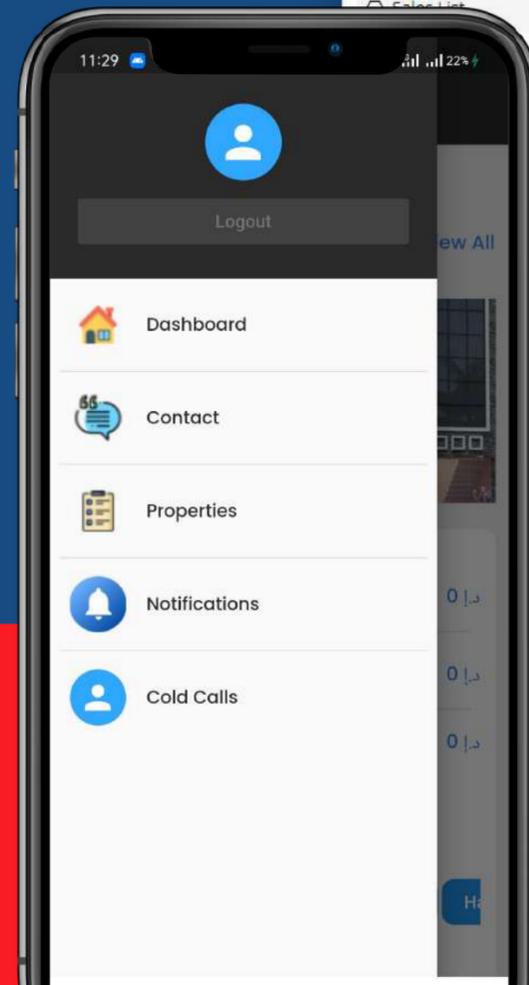

The image displays two views of a business management dashboard. The desktop view (top right) shows a sidebar with 10 modules: Dashboard, Users Management, Project Management, Dump Call Management, Cold Call Management, and Leads Management. The main dashboard includes four summary cards: LEADS (N/A, +10 last month), USERS (68, +0 last month), SALES (2, +0 last month), and COLD CALLS (0, +0 last month). It also features two charts: 'Monthly Average Sales' (a line chart for January showing sales of 7600000) and 'Average lead per month' (a bar chart for January showing 322 leads). Below the charts are sections for 'Latest Agents' (listing Harold Manalo and Ahsan Yaqoob) and 'Active Latest Leads' (a table with columns for NAME, E-MAIL, MOBILE NO., and LAST ACTION DATE).

NAME	E-MAIL	MOBILE NO.	LAST ACTION DATE
Dilip Kumar	dilip584@gmail.com	9798565485	2021-01-16 09:28:55
Amal Alami	ajcn.marria@ajman.ac.ae	+971559762444	2021-01-10 16:23:11

The mobile view (bottom left) shows a 'Focus Projects' section with images of buildings and a 'Rental/Resale' section with a key icon and placeholder text. Below these are financial summary cards: 'Total Payable Incentives' (\$ 2567.621), 'Paid Incentives' (\$ 2567.621), and 'Balance (Due)' (\$ 2567.621). At the bottom, there are two site status indicators: '24x Current Qtr Site' and '<3 x [po] Current Qtr Site Inc Amt: 50'.

User Friendly Interface

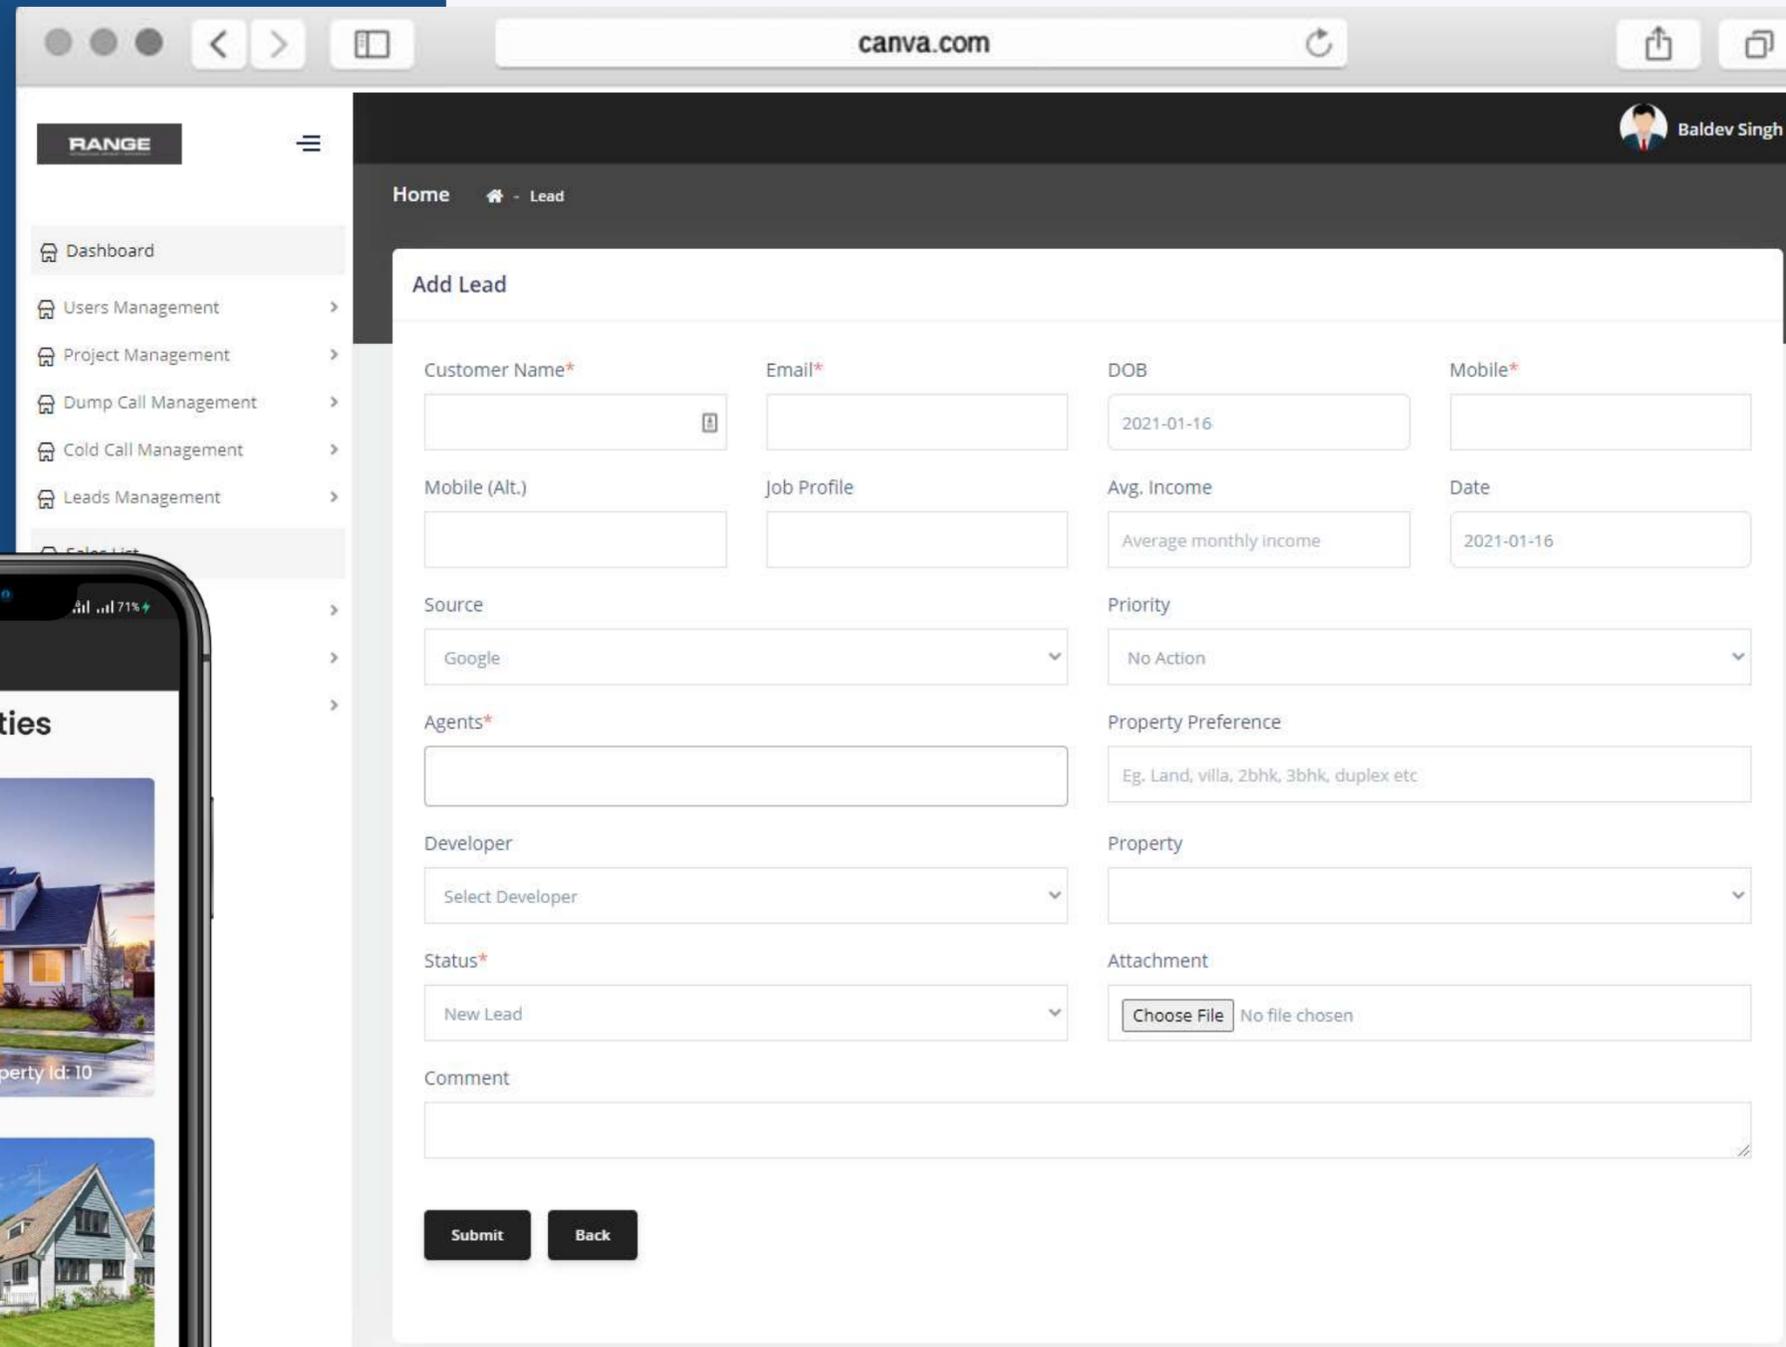

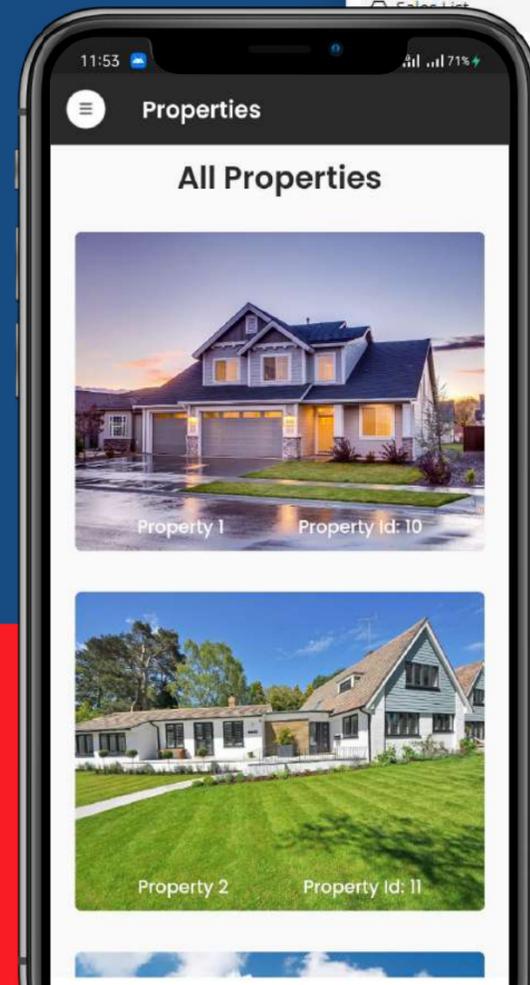

Solid Performers is designed in such a way that anyone can understand and start using the modules in less than 10 minutes.
